

ENVIRONMENTAL, SAFETY AND HEALTH POLICY

NTPM recognizes its moral, legal and environmental responsibility to provide a green, safe and healthy work environment for its employees and other stakeholders. NTPM is committed to develop a sustainable green, safety and health culture in the organization by

- a) Providing and maintaining the workplace in a safe condition,
- b) Protecting the safety and health of all employees and other stakeholders who may be affected by the work carried out in the organization,
- c) Preventing pollution to the environment, work-related fatalities, disabilities, injuries, ill health, diseases, property and environmental damage and near misses,
- d) Complying with applicable legal and other legislative requirements on Environmental and Occupational Safety and Health Management,
- e) Ensuring that employees and their representatives are consulted and encouraged to participate actively in all elements of the Occupational Safety and Health Management System, and
- f) Continually improving the performance of the Environmental and Occupational Safety and Health Management System.
